Dear Sir:

The Examiners Amendment of claim 3 is improper. The amendment makes claim 3 of identical scope to claim 4.

Claim 3 is amended herein to have proper antecedent support.

The remaining claims are as unamended herein and reflect the changes entered by Examiners Amendment.

Applicants appreciate the notice of allowance and the attention of the Examiner in this matter.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Director of the United States Patent & Trademark Office, P.O. Box 1450, Alexandria, VA 22313-1450 on 9-8-06
